

About

Our Company

KRAUZERS was founded in 1998. The company is one of the leaders in forestry. We provide full forestry cycle, including sawmilling operations and biofuel production.

Our main export products are pallet boards and pallet blocks.

Available species:

- deciduous mix (birch, alder, aspen),
- Seperate coniferous pine and spruce.

Our main business activities:

Forestry

Roundlog
logistics

Sawn
timber

Biofuels
